

- ◆ How much is this? How many children do you have?

C. Tag questions (disjunctive questions or tail questions): they are mini-questions asked at the end of the statement to confirm it.

Examples:

- ◆ You like her, don't you?
- ◆ She is a doctor, isn't she?

D. Choice Questions: We use choice questions when we offer choices.

Examples:

- ◆ Would like a house or a flat?
- ◆ Do you hang out with your sisters or you friends?

E. Hypothetical Questions: We ask hypothetical questions to have a general idea of a certain situation (like a questionnaire).

Examples:

- ◆ What would you do if you won the lottery?
- ◆ If you had a superpower, what would it be?

F. Embedded questions (indirect questions): We use them in reported speech or in polite questions.

Examples:

- ◆ She asked me if she could borrow my dictionary.
- ◆ She asked me where the nearest train station was.
