(c) Read through the following passage, underlining causes and highlighting effects.

I woke up late this morning **because** my alarm clock did not ring. **As a result**, I had to rush to get ready for school and I made a huge mess all over the house. I missed the bus **because** I had to go back home to fetch my cellphone. **Consequently**, I was late for school, and my lecturer was not pleased with me at all. **Due to the fact that** my day had been going so badly, I was in a bad mood and I shouted at my friends. **Since** I was in such a bad mood, they didn't want to hang out with me and they left. After they left, my day only got worse. **In view of** all that happened today, I've decided that I need two alarm clocks instead of one, to make sure I wake up on time in the mornings.

Now, tabulate your causes and the related effects using a table similar to the one below:
