

The Second lecture

The Classification Of Law

The classification of laws according to the public / private law criteria :

Public law comprises as an example :

Constitutional Law, Administrative Law, Tax Law, Criminal Law , Procedurale (

Civil And Administrative , Penal) Laws.

Private law comprises as an example :

Civil Law, Family Law, Labour Law, Commercial Law.

The difference between public law and private law :

The key difference between the two branches of law lays in where the state / the government's position in her relationship with other legal person, if she is practicing her power as high authority we are dealing with laws that belong to public law, if otherwise it is private law.

The distinction between the synonyms of the term law :

Law / القانون

Bill (Draft Law) / مشروع قانون

Statute / نظام قانوني

Code/ تقنين

Ordinance / لائحة

Regulation/ تنظيم

Order / امر

Decree Law / مرسوم
